**THE
ROLLING STONE**

**CHESHIRE ACADEMY
CLASS OF 1954**

FOREWORD

This, the nineteen fifty-four edition of the Rolling Stone, is presented like its predecessors in the hope that it will help preserve memories for the years to come of the one just passed.

To those of us who are seniors, this book will stand as a memento of the four years of hard work and endeavour that have rewarded us with our high school diplomas and our acceptances to college. As we go ahead with our plans of higher learning, all of us suddenly realize how much our training at the Academy means to us, and how much we owe the patient and devoted masters who have guided us to this great moment in our lives.

Although we shall be scattered all over the United States and many foreign countries, we shall be secure in the knowledge that we have helped to hold up the tradition which has made our school famous the world over, and we shall all have many of the same memories to share and think about.

It is with high hopes that we, the staff of the nineteen fifty-four Rolling Stone, offer you this book, hoping that throughout the years to come, the pages in this edition will provide you, through the security and knowledge that all of us have the necessary foundation, with the strength to raise yourself to the very top.

DEDICATION

The senior class of 1954 dedicate this annual to William Blackwood Reeves who has served the Academy loyally and efficiently during the past ten years.

History of Cheshire Academy

For over a hundred and fifty years the educational institution at Cheshire has maintained an honorable record and has rendered valuable service to the cause of education. Throughout the nineteenth century and now during the second half of the twentieth, its roll of graduates includes names famous in history, politics, education, finance, and society. It has drawn students from many foreign countries: Argentina, Chile, and Venezuela, Cuba, Puerto Rico, and Panama; and from the continent of Europe, students from Holland, Germany, Hungary, Russia, Latvia, Spain and France. There have also been students from England and China. One might say that the Cheshire Academy, in one of its several forms since 1796, is known all over the civilized world.

The foundation of Cheshire Academy as an educational institution was determined in 1792 by the first Episcopal Bishop in America, Samuel Seabury. It was not, however, until April 28, 1796, that the cornerstone of the Academy was laid and the school officially opened by the Reverend Tillotson Bronson. Doctor John Bowden was chosen Principal at the annual Convention at Cheshire, in June, 1796, when a constitution was drawn up and a board of twenty-one Trustees was elected.

The first building, Bowden Hall, was completed in the autumn of 1796 by the people of Cheshire. Scarcity of funds necessitated the granting by the State Legislature of a lottery to raise the sum of fifteen thousand dollars. College degrees, however, were not permitted by the Legislature.

The Reverend William Smith succeeded Doctor Bowden in 1802, and three years later the Academy was incorporated by the Legislature of the State of Connecticut. During the following years the Academy went through several changes of prosperity and adversity. Then in 1862 under the leadership of Doctor Sanford Horton, the Academy was established as a flourishing military school which attracted students from far and near.

These were the days of the Civil War and three famous members of the Alumni were Admiral Foote, General Wheeler, and Secretary Welles. The thoughts of students naturally gravitated towards army life, just as they did during the past years when the present Academy included a Junior R.O.T.C., Military Science and Aviation Science among the courses offered.

The last Principal of the Episcopal Academy, upon the retirement of Doctor Horton in 1892, was Eli D. Woodbury who served the School unsparingly for seven years. At the end of this period the Trustees of the Diocese of Connecticut leased the school for ninety-nine years to the Trustees of the Cheshire School, Inc. The buildings were entirely renovated and the school placed on a thoroughly modern basis.

In 1917 the Academy, under the name of Roxbury School, was under the Headmastership of Mr. Walter Ferris, the father of Stuart Ferris who is now a member of the Board of Trustees.

Mr. Arthur N. Sheriff, the present Headmaster, took office in 1922 and it was during his regime in 1937 that a Charter was granted by a Special Assembly in Hartford, and the school was named Cheshire Academy. Mr. Sheriff by preserving the best of the traditions of the past and including many modern features has made Cheshire Academy one of the most outstanding institutions of learning in the country.

STUDENT ADMINISTRATION

INTER-CLUB AND SENIOR COUNCILS

The Inter-Club Council plays an important and intregal part in all elections and social events held at the school. The members are selected at the beginning of the fall term from the four clubs, in one of which every student on the campus is a member. The Council held meetings every week in the Bowden Hall Library, under the supervision of Mr. Edwin Chubb. The members of the Council did all the work involved in the tea dance which was held at the Academy in February, being divided into several committees, and handled the details involved in the senior class elections. The officers of the council were: Corby Kerrin, President, Jon Owen, Vice-President, and Don Anderson, Secretary. Other members of the Council were: Clark Tierney, Tom Corso, Art Krozy, Tom Chamberlain, Terry McGovern, George O'Brien, Bruce Bear, Barry Coburn, Dick Stiefel, Frank Payne, Jim Thompson, Ralph Stopper, Bob Parisi, Tom Williams, Arnie Steeves, and Dick Stapleton.

The Senior Council, although composed of the same members who make up the Inter-Club Council, has a different set of officers and operates under them. This Council has the power to make recommendations to the headmaster, and is the representative of the student body. The officers of the Senior Council were: Terry McGovern, President, Clark Tierney, Vice-President, and Tom Chamberlain, Secretary.

STUDENT COUNCIL: *Front row, Left to Right: Stiefel, Thompson, J., Tierney, Owen. Back row, Left to Right: Mitchell, Coburn, Bear, Payne, Chamberlain.*

ORGANIZATIONS

DRAMATICS ASSOCIATION

The Dramatics Club presented its annual two plays during the school year, and both were extremely successful. The first play was presented just prior to the Christmas vacation, a play concerning the birth of Jesus. The play, entitled "The Cross Roads of Christmas," was directed by Mr. Donald R. Towers, and the cast included Clark Tierney, Richard Rust, Gordon Link, Alan Salke, Leon Clark, Burton Schwartzberg, George Johnson, James Orphanos, William Hills, and the woman's part was played by Ernestine Hunt. The second play, presented during May at the Senior Prom and for the benefit of the Cheshire Town Library, was "Androcles and the Lion." The play, a two-act comedy by George Bernard Shaw, was directed by Mr. James P. Mitchell. The play concerns the plight of a group of Christians who are being thrown to the lions by the Romans. The cast included Clark Tierney, Richard Rust, Peter Preisner, Burton Schwartzberg, Leon Clark, James Orphanos, Ronald Carr, Bernard Finley, Ricky Bleier, Stuart Levine, Jack Oppenheim, Sandy Garfinkel, Eugene Goldstein, Nelson Neimark, William Priestly, Donald Chepovsky, George Grau, George Mezaros, Marcos Garcia, Eric Johnson and many other members of the student body. The female parts in the play were played by Miss Holly Cutler and Mrs. Hunt. Members of the Dramatics Club were Richard Rust, President; Clark Tierney, Vice-President; Peter Preisner, Leon Clark, Gordon Link, Alan Salke, Burton Schwartzberg, Dixon Harris, Jack Riddle, Peter Johnson, Eric Johnson, James Orphanos, Jack Oppenheim, Bernard Finley, Ricky Bleier, Ronald Carr, William Hills, George Johnson, Stuart Levine, Stephen Yarvis, Ernestine Hunt, and Holly Cutler.

DRAMATICS ASSOCIATION. *Left to Right, Front row:* Zunder, Bleier, Preisner, Carr, Colohan, T., Chepovsky, Browning, Oppenheim. *Second row:* Schwartzberg, Levine, Houston, Orphanos, Lozada, Grau, Bertorelli, A., Garcia, M., Finley, Goldstein, Clark. *Third row:* Rothstein, Perless, Novoson, Yarvis, Garfinkle, Johnson, E., Neimark, Priestly, Tierney, Mezaros, Coit, Rust.

The Captain: In throwing you to the lions he will be upholding the interests of religion in Rome. If you were to throw him to the lions, that would no doubt be persecution.

The Captain: I may inform you that as there is a shortage of Christians just now, you may expect to be called on very soon.

The Emperor: They tell me you can fight.
Ferrovius: It is easy to fight. I can die, Caesar.
The Emperor: That is still easier, is it not?

Androcles: Easy, Ferrovius, easy; you broke the last man's jaw.

The Emperor: Whatho, There! All who are within hearing return without fear. Caesar has tamed the lion.

The Centurion: These Christians . . . are always laughing and joking something scandalous. They've no religion; that's what it is.

Lavinia: . . . if I took a pinch of incense in my hand and stretched it out over the altar fire my hand would come back.

Megacra: The gods have sent him to punish us because you're a Christian. Take me away, Andy. Save me.

The Captain: A martyr, Lavinia, is a fool. Your death will prove nothing.
Lavinia: Then why kill me?

STAGE CREW AT WORK: On ladder (Top to Bottom): Lorch, Perless. Front row (Background), L. to R.: Harris, Garfinkel, Johnson, E. Back row: Goldberg, Riddle.

PRESS CLUB

The Press Club under the supervision of Mr. Donald R. Towers, is the organization which is responsible for all news articles that are sent from the Academy to the various newspapers across the nation. The Press Club covered all sports events that the Academy Varsity and Junior Varsity squads participated in, sometimes traveling many miles with the teams in order to send the report in to the newspapers. In addition, the Press Club staff handled all news events that were sent to the newspapers concerning the Senior class, and sent all announcements of graduation to the newspapers. This year Norman Sagansky was chairman and Bill Mitchell was his assistant.

PRESS CLUB. *Left to Right:* Bill Mitchell, Norman Sagansky.

INTERNATIONAL CLUB

INTERNATIONAL CLUB. *Left to Right, Seated:* Mitchell, Ramirez, Tierney, Sagansky, Handman. *Standing:* Cooper, Ortiz, Cenci, P., Mr. Lieberman, *Faculty Advisor*, Setton, Edleman, Hogan, Levin, Strauss, Keefe.

The International Club is a relatively new organization, having been started by Mr. David Lieberman in the winter of 1952; however, during the school year it has been one of the busiest activities on the campus. The purpose of the club has been to promote better relations between the students at the school from foreign countries and those from the United States, through the study and comparison of the problems that the various nations in the world have. The club's membership this year numbered fourteen. The members represented the countries of Venezuela, Colombia, and the United States, and many other countries were studied through a varied program of entertainment presented at each of the club's meetings. The meetings were held each Tuesday in the school library, where films were presented, lectures given, and refreshments served. Many members of the school's faculty participated in helping the Club attain its goal of better understanding of the world's problems. Shortly before the Christmas vacation, the members began planning a two day "International Forum" which was held in March, with representatives of four countries taking part. The countries represented were Colombia, Egypt, France, and Italy. The International Club members were present, as were members of the faculty, members of the student body, and guests from other schools. The two day forum turned out to be a large success, as the members of the club had spent many hours planning and working out the details. An International Dinner was scheduled for the month of May, but had to be cancelled due to conflicts with other activities here at the school. Clark Tierney was *President* of the club, Norman Sagansky was *Vice-President*, and Ronald Ramirez was *Secretary-Treasurer*. Other members were Peter Cenci, David Levin, Jerry Keefe, John Hogan, Robert Strauss, Fred Edleman, Francisco Ortiz, William Cooper, William Mitchell, Richard Handman, and Mayer Setton.

CHEMISTRY CLUB

CHEMISTRY CLUB. *Left to Right, Front row:* Duff, Kopp, Zietz, Levine, Fien, Yarvis, Rodolitz, Penfield. *Back row:* Strauss, Edleman, Greenfield, Goldberg, Sibek, Ring, Shea, Mr. Shaffer, *Faculty Advisor.*

Under the able guidance of Mr. Shaffer, this year's Chemistry Club has proved to be a creditable part of our school's extra-curricular activities. Among the membership that participated actively in club affairs were Dietch, Duff, Edelman, Fien, Goldberg, Greenfield, Kopp, Levine, Penfield, Ring, Rodolitz, Rosenberg, Shea, Sibek, Strauss, Yampol, Yarvis, and Zietz. At the first meeting the boys elected a *chairman*, A. Sibek, and a *secretary*, A. Rodolitz. From that time on the duties of operating the club were equally shared by the officers and the advisors of the club. Through the club the boys were allowed to suggest ideas for experiments on which they wanted to work. If the idea was approved the boy or group of boys, with whom the idea originated, worked on their experiments and then presented the results to the club. This way the boys learned how to think out their own problems, and also learned many valuable hints on laboratory procedure. Several of the studies made by the club included learning the properties of iodine, carbon di-oxide, and phosphorous. Towards the end of the year Mr. Shaffer arranged to have many interesting motion pictures shown to the club. These pictures showed the work of research and other phases of Chemistry in industry. In general the club gave the members a better understanding of some of the things that had previously puzzled them.

DEBATING SOCIETY

DEBATING SOCIETY. *Left to Right, Front row:* Link, *standing,* Lichtenstein, Tierney, Owen, Rodolitz, Bergman. *Back row:* Dr. Lewis, *Faculty advisor,* Neimark.

The Debating Society has tried a new idea this year in regard to the debates that have been presented at the meetings. The club has been under Dr. Robert G. Lewis, teacher of English at the school, and has remained active throughout the school year, meeting each Thursday in the Bowden Hall Library. At the beginning of the fall term, the members decided that they did not know enough about formal debating, and would profit more by learning the methods employed in this type of debating than by rushing immediately into the activity. As a result the rest of the year was spent in learning the various aspects of formal debating, and many practice sessions were held. The members selected a number of topics that they thought would be interesting material, and each week four students split up and presented the pro and con side of the problems that had been chosen. After each debate was over, the other members of the club made reports indicating what they thought could be improved in the material used in the debates and in the manner in which it had been presented. This program resulted in work-shop type meetings, and the debaters did not take part in any activities outside the school. Towards the end of the year, formal debating was abandoned in favor of short talks that each member had to make at the meetings. Sometimes the subject on which the member was to talk was assigned before the meeting; however, the majority of the time the members did not learn what they were to speak about until a few minutes before the talk was given. Members of the club were: Clark Tierney, Jon Owen, Dick Stiefel, Hugh Robertson, Ralph Bergman, Bert Schwartzberg, Gordon Link, Roy Greenfield, Morris Ring, Marcel LeClerc, Nelson Neimark, Mark Lichtenstein, Joe Fien, Harry Cohen, and Alan Rodolitz.

PHOTOGRAPHY CLUB

Left to Right, Front: Fred Edelman; Alan Kimmel, Treasurer; Don Avila, President; Clark Tierney, Secretary. *Back:* Nelson Edward Neimark, Michael Jeremy Cohen, Robert Strauss, Stephen Liebeskind, Stanley Sitka.

The Academy Photography Club, under the supervision of Mr. S. David Greene, remained one of the busiest organizations on the campus this year. The club members were all assigned to some sport, and they took pictures during all athletic contests here and away from the school. A new system of points was worked out so that each member received points for attending meetings, covering sports events, and for dark room work. The club held its first exhibition in conjunction with the annual Father and Son Banquet in December. The exhibition was held in the Junior School Study Hall across from the gymnasium and was attended by many of the visiting fathers. After the Christmas vacation, the members of the club learned about the procedures used in the well-equipped darkroom located in the basement of Bowden Hall, and a Laboratory schedule was set up giving each member of the club a chance to use the darkroom for a specified length of time weekly. Officers of the club were Don Avila, *President*; Mayer Setton, *Vice-President*; Clark Tierney, *Secretary*, and Al Kimmel, *Treasurer*. Other members of the club were: Micky Cohen, Nelson Neimark, Steve Libeskind, Bernard Finley, Ted Shea, Robert Strauss, Fred Edleman, Phillip Azout, Larry Dietch, Lynn Atwood, Richie Glazer, and Mark Goldberg.

Stephen Liebeskind wins Connecticut Photo Award.

GLEE CLUB

The Academy Glee Club, under the very able direction of Mr. James P. Loder, has enjoyed a very successful year. In May the Glee Club held two concerts, one at the Mary Burnham School in Northampton, Massachusetts, and one at the Academy. After the concert at Mary Burnham, an informal dance was held, and after the concert here, a reception was held honoring the members of the Glee Club, their parents, and their guests. The members met once a week in the Bailey Memorial Room and rehearsed the songs that were presented at the two concerts and at the graduation exercises. At graduation, the Glee Club sang "The Prayer of Thanksgiving," and "Ye Watchers and Ye Holy Ones," the two songs that the members liked best. The officers of the Glee Club this year were Leon Clark, *President*; Richard Hoskings, *Vic-President*, and Michael Cohen, *Chairman*. Other members of the Glee Club were Cenci, M., Eisinger, Kaufman, Rothstein, Krystopa, Robinson, B., Lakow, Cenci, P., Schwartzberg, Thompson, J., Thompson, R., Croake, Hopkins, Shomer, Loughlin, Warburton, Navikas, Rodolitz, Sosa, Cooper, Thomas, Sibek, Coit, Shea, Glazer, Kushell, Avila, Tierney, Owen, Edwards, Ruggiere, Damsey, Stiefel, Johnson, E., Johnson, P., Wilkes, Conners, J., Hermonot, Wuishpard, Riddle, Neimark, and Martinez. Mr. Dean Morse was accompanist.

ONE WORLD

The International Forum held at the Academy on Friday and Saturday, March 5 and 6, and sponsored by the International Club of the Academy has been termed a great success by all the students that attended the two day session.

Plans for the forum were started before the Christmas vacation, and the members of the International Club worked continually from that point to the beginning of the two day meet in order to provide the school with speakers from four foreign countries. The International Club was started by Mr. David Lieberman in the winter of 1953 in an effort to bring the many foreign students that attend the Academy and the United States students closer together. Judging from the success of the International Forum, the goal of the club has been achieved. The main goal of the forum was to help the students at the Academy and their guests understand the problems that plague not only the United States, but also the many other nations of the world.

The Society of Secondary Schools for International Cooperation has enjoyed a very successful year, having had its two annual meetings at two of the member schools. The first meeting was held on Sunday, November 8 at the Taft School in Watertown, and was attended by four Cheshire students, two Seniors and two Juniors. The Academy students attending were: Jon Owen, Dick Stiefel, Mayer Setton, and Bob Halloran. Mr. Henry Y. Shaffer represented the faculty at the meeting. Cheshire was represented in the morning forum by Jon Owen, who spoke on the American side of the question, "Should Red China be allowed to become a member of the United Nations?" Other schools present also gave talks on the various aspects of the subject during the morning. That afternoon, Dr. Henry Rudin, the head of the History Department at Yale University gave a talk which stressed the point that America must not try to meet the threat of Communism with an emotional attitude. After Mr. Rudin's address, tea was served, and the meeting was adjourned.

The second meeting of the S.S.S.I.C. was held on Sunday, May 9, at the Rosemary Hall School in Greenwich, Connecticut. Peter Preisner, Bill Mitchell, Robert Halloway, and Steve Mezey represented the Academy at the meeting. Cheshire was not required to speak at this meeting, however, the problem which was discussed was of interest to all who attended. Mr. Emery MacFarlane was the faculty representative at the meeting.

Jon Owen and Clark Tierney, accompanied by Mr. and Mrs. Henry Y. Shaffer, represented the Academy on Saturday, April 24, at a meeting held at Miss Porter's School in Farmington on "Some Dangers We Face At Home And Abroad." The speakers at the all day meeting were: Mr. Laurence Barber, Jr., Professor of Government, Trinity College, Hartford, Mrs. Ruby Morris Turner, Head, Department of Economics, Connecticut College, New London, Mrs. Vera M. Dean, Visiting Lecturer, Smith College, Northampton, Massachusetts, and Mr. Paul P. Roudakoff, former United States High Commission, Berlin.

VARSITY

Cheshire Academy may well be proud of its leather-toting smashing football combine of 1953. The final record was three wins, three losses, and one tie. Although the team did not have an impressive record, they learned the value of sportsmanship and teamwork.

In the opening game of the season the Cats traveled to Andover, Massachusetts, to play a strong Andover team. In the first half, Andover, showing their teamwork, scored two quick touchdowns to lead in the game 13-0. Cheshire came back to score two touchdowns, but they were in vain as Andover won 26-13. Playing heads up ball, the Cats came back the next week to overpower the Springfield JV's 14-0. Both touchdowns were scored by our star end Jack Cashman. He caught a pass from Tite and caught a blocked kick.

In the third game Cheshire opposed the Hofstra Engineers from Long Island and ran completely rough-shod over them. The final score was 27-6. In the next game the Cats traveled to Storrs, Connecticut, to play their most impressive game of the season, against the UConn Pups. With the fleet running of Terry McGovern, the passing of Ralph Tite, and the bucking of Lenny King, the Cats defeated the strongest UConn freshman team in years by a score of 21-0.

The following week the Cats played the New Britain State Teachers Varsity. This game was our only tie of the season, as our line was impenetrable. The score was 0-0. This was in itself a victory for Cheshire. On November 7 Cheshire was supposed to play the Yale Freshmen but due to the snow of the previous night, Yale cancelled the game. The condition of the field was not playable.

The next Saturday the Cats traveled on a deluxe bus down to Wayne, Pennsylvania, to play the Valley Forge Military Academy. The Cats arrived there late Friday afternoon and had a short workout. This game proved to be the most exciting game of the season, but also a heartbreaker. The Cats lost in the last minute to a determined Military team by the score of 26-20. On the final game of the season Cheshire played host to

Tite, McGovern, F. O'Brien, Argiro, Murphy, Manager Barber. *BACK ROW:* Manager Steeves, Kerin, Perrotti, Harlow, Thomas, Begnal, Clark, Tortorella, and Coach James.

FOOTBALL

the Springfield Frosh, who defeated them in the last minute on an intercepted pass. The final score was 6-0.

Our well molded line, the personal work of Coach Despirito, out-charged, out-classed, and out-guessed every opponent both defensively and offensively. The brawny trio of Arnie Steeves, Bob Tortorella, and Leon Clark furnished the Cats with very capable men. The tackles were Art Krozy, and acting co-captain Sy Sciacqua, two well muscled stalwarts. Coach Despirito had a sure pass receiver in Jack Cashman. Cashman was one of the best ends that Cheshire has ever had. Marty Begnal of Waterbury held down his part of the offensive assignments. Fred O'Brien was also an outstanding offensive end. The second line was composed of Ed Murphy, Bob Argiro, and Lou Cutillo. Corso was our extra point kicker. Tom made 8 out of 9 conversions.

One of the most heartbreaking moments of the season was when Sy Sciacqua, an outstanding and popular tackle, broke his wrist. Sy was the only returning letterman, and he came back early in September to train. The doctors claimed that Sy would not be able to play again this season. But, determined to play, Sy made a brilliant comeback to play against the Springfield Frosh. At the Father and Son Banquet Sy was awarded the Cyrus Taylor Trophy. We hope that Sy continues his fine work.

Coach James had a host of scampering backs. Quarterbacking the squad was Ralph Tite, a most effective passer and signal caller. Playing at the halfback positions were Terry McGovern, our leading scorer, Tom Williams, Berny McGlinchey, Bob Bukowsky, and Don Anderson. In the fullback slot was Leny King and his replacement, Joe LaPolla.

Our hats are off to the team and its coaches who have borne the name CHESHIRE to far flung fields in the realm of football and returned sometimes victorious, but always leaving in the minds of their foe a deep respect and high regard for Cheshire and its products.

JUNIOR VARSITY FOOTBALL TEAM

The Junior Varsity Football team began an undefeated season with its initial win against New Haven's Wilbur Cross High School, 25-0, and ended up in a grand slam against Hillhouse, 36-24, under the able coaching of Mr. Eldred.

In their first game, sparked by Captain T. Connors, the "Cats" looked like winners with the powerful plunging of MacDonald, Krystopa, Link, and T. Robinson. The Connors boys excelled in picking up their opponents' fumbles and Gaiser and Parisi smashed through the line time and time again to set up the scoring.

It would be difficult to pick out individual players for particular praise, for each one gave of his best. Among some of the highlights to be remembered were: Bruce MacDonald's 30-yard run against the American School For The Deaf; the jarring tackles of T. Robinson against Wilbur Cross; the 85-yard run of Gaiser for a touchdown against Bristol; the three touchdowns of Bruce MacDonald against the same team; Calabro's 60-yard run to score against Hillhouse; and the successful pass-receiving by Barry Coburn and Jim Connors. Among those who scored touchdowns were Bruce MacDonald, Ralph Tremaglio, Jim Connors, Bill Mitchell, Calabro, Link, Parisi.

The following boys participated in the games: J. Connors, T. Connors, MacDonald, D'Amico, Tremaglio, Krystopa, Link, T. Robinson, M. Cohen, Casanova, Gaiser, Mitchell, Coburn, Parisi, Davis, Kopp, Calabro, Malucci, Duff, Eisinger, and Podlinsky.

The soccer season of 1953 opened with only Jourdan (who broke his leg last summer and was not available for the first half of the season), remaining from last year's varsity. Ramirez remained from the 1952 JV starting lineup. Other members of the team were Velez, a transfer from the Perkiomen school, Jack Hubbell, from Oceanside, L.I., and Art Glass, who had played some soccer at the Ontario Boarding School and Appleby College. The other members of the team were JV substitutes from last year, or even greener. However, their determination, courage, and ability to learn produced a creditable season in which only one game, that at Meriden, resulted in more than one goal's difference in the final score. One more scoring forward would have enabled the team to win most of the close games. Coach Dexter was pleased with the following results, which prove the above statement:

The following also saw considerable action during the season: Bob Brosmith, Bob Pfeiffer, Jose Castillo, Jorge Meszaros, Bill Higgins.

The co-captains were elected at the end of the season. They were Henri Jourdan, from Caracas, Venezuela, defense, and Arturo Velez, from Bogota, Colombia, offense.

Cheshire's Junior Varsity Soccer squad seemed to get better as the season progressed and wound up the season with a modest record of two wins, three defeats, and two tie games. The team, under the line coaching of Mr. Burdick, overcame two setbacks in their first two games to turn in a successful campaign.

In the first game with Meriden, which Meriden won 3 to 1, Abbo scored the only goal to prevent a shutout. Azout and Bear, along with Abbo played well, with Captain Bear doing especially well on defense. The team looked green because of not enough practice and little team work.

In the second game, played with Hamden at home, the Hamden defense was too strong for the Cheshire team's offense. Arismendi and Abbo and De la Guardia tried hard to keep Cheshire in the game, but they were not enough for the Hamden team and the team went down to defeat again to the tune of 3 to 0.

In the third game, played with Bristol away, the Cheshire boys played the most brilliant game of the season by coming from behind to defeat Bristol 4 to 3 on Abbo's goal late in the final quarter. This was the team's first victory and everyone played well but extra credit should go to the following for the tremendous playing, De la Guardia, who scored two of the goals, Abbo, Bear and Levy.

In the fourth game, played with West Haven away, the home team went down in defeat after traveling to West Haven. The West Haven team was very strong and the game was played on a muddy field. The final score was 5 to 1 in favor of West Haven.

In the fifth game, played against Meriden at home, the Cheshire team bounded back from their loss to West Haven by setting back Meriden 2 to

1 before a homecoming crowd. Besides the two scores goalie Kuperman played his best game of the year. Kushell and Perless played stellar defensive ball as the team avenged an earlier season loss to the same Meriden team.

In the sixth game of the season played against Hamden away, the team battled to a 2 to 2 tie with Hamden, Levy and Kushell putting Cheshire ahead 2 to 0 before Hamden rallied to tie the score late in the last quarter. Besides the two goal scorers, Abbo, Azout, De la Guardia and Kuperman played very well.

In the seventh game of the season played against Avon at home, the team wound up with their season by playing to a tie with a well coached Avon team in a tight defensive struggle. Cheshire scored in the opening minutes of the game but unfortunately later in the same quarter Avon was rewarded with a free penalty kick and scored to tie the game. Cheshire, led by Perless, Levy, Abbo, and Levin continually put the pressure on the Avon team by their fine defensive play. Lakow helped goalie Kuperman out with two fine defensive blocks at crucial moments in the game. The whole squad looked good in their last game of the season.

The soccer squad consists of:

Goalie—Kuperman, Messuri.

Left Wing—Abbo.

Right Wing—Levin, Mangiafico.

CF—Azout, Claffie.

LF—Arismendi, Hopkins.

CH—Perless, Lorch.

In their first golf match of the season, the Major-Reeves-coached Varsity Golf Team met and defeated Hofstra College J.V. $6\frac{1}{2}$ - $2\frac{1}{2}$ at the Chase C. C. Dick Stiefel played outstanding golf for the "Cats" as he shot a one under par 71. Ralph D'Amico, the number two man, shot a 76.

On April 30th the Varsity traveled to Milford where they were defeated 1-6. D'Amico was the only winner for Cheshire.

On May 14th, the team traveled to Hartford to meet the U. of Connecticut. Stiefel, D'Amico, Perless, and Levin all won their respective matches as well as played the best ball. The final score was 6-3 in favor of Cheshire.

May 7th found the team traveling to Wallingford to meet a powerful Choate Golf Team. D'Amico, who shot a 74, was the only winner for Cheshire as they tasted defeat for the second time this season 1-6.

The Varsity downed U. of Connecticut for the second time this season on the Chase Course by a score of 3-2. Stiefel, D'Amico, and Payne were the winners for Cheshire.

New York Military Academy was the next victim of the Golfers as the "Cats" walloped them $8\frac{1}{2}$ - $1\frac{1}{2}$.

On May 24th, the Varsity lost to a strong Hotchkiss Team at Lakeville by a score of 3-6. Stiefel and D'Amico were the only point winners for Cheshire.

On May 25th, the Varsity Golfers avenged a defeat by Milford in the earlier part of the season and at the same time stopped Milford's nine-match winning streak. D'Amico, Perless, Payne, and Levin were the point winners in the 6-3 victory. D'Amico blazed around the course with a par 72 for the afternoon.

The Varsity "Cats" blanked the Avon School 4-0 at Chase C. C. on May 26th. Stiefel, D'Amico, Perless, and Payne were the victors for Cheshire.

The team record stood at six wins against three setbacks.

VARSITY BASKETBALL TEAM

Under the leadership of Coach Dave Spaulding and faced with one of the stiffest schedules ever to be played by an Academy team, the varsity "Cats" experienced a season keynoted by "near wins."

The squad, composed of Captain Don Mozzi, Steve Flynn, George Greider, DeWitt Jansen, John Edelstein, Don Anderson, Bob Thomas, Jack Clark, Tom Williams, Spec Rosenfeld, Rene Lopez, and Herb Sodel battled through the season never knowing victory. Perhaps the attitude of this squad can best be described with these words of one observer: "Their scoreboard will show not a victory, but they were battlers in every game from beginning to end."

Highlights of the season were Don Mozzi's point production of 24 per game, Rene Lopez's catlike ability around the backboards, Tom William's late season spurt to prove himself a top-notch rebounder, and John Edelstein's smooth floorwork.

Against constant superior height of their collegiate foes, the "Cats" had narrow losses to Hofstra, in Long Island, Quinnipeac at Cheshire, and Trinity College in Hartford. The Trinity fiasco was a beautiful but heart-breaking struggle to watch. The "Cats" applied their "ball possession" game from beginning to end, only to be worn down by superior reserves in the late stages of the game.

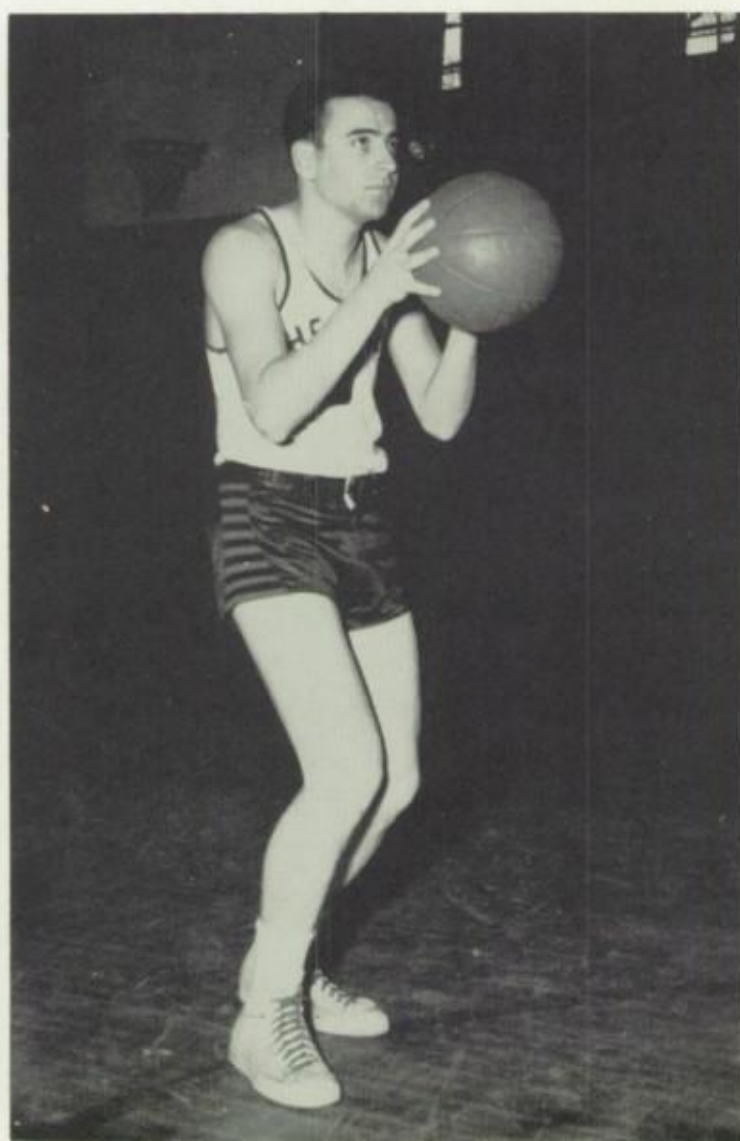

The won and loss column may not suffer such a dim outlook for the future as John Edelstein, Herb Sodel, and Bob Thomas will be on hand when practices open again next fall.

Captain Mozzi, Rene Lopez, Tom Williams, and Steve Flynn merit a round of applause for their diligent efforts. All four proved themselves to be real competitors and an honor to one of America's greatest games.

JUNIOR VARSITY BASKETBALL

The 1953-54 Junior Varsity Basketball team enjoyed a very successful season, winning 11 games and losing only 2.

The squad was led by Captain Bruce MacDonald, whose fine team play and spirit aided the "Cats" in their victories throughout the season. Don Anderson was the team's rebound man on both offense and defense and Bob Gaiser ably helped him in gaining the winning points.

The team's scoring menace was Pete Miller who consistently demonstrated his accuracy with his right hand hook shot. Bud Kliggerman, a boy who showed great development at the end of the season, added to the power of the team by his playmaking ability.

Others who deserve mention were Don Chepovsky, Stan Essen, Jim Connors, Louis Shomer, Bill Potter, and Frank Ruggiere. Mr. Eldred, the coach, did a fine all-around job with the boys, and the success of the team was in large measure due to his untiring efforts.

VARSITY BASEBALL

Approximately two weeks after the close of the Spring vacation, the Varsity Baseball team got into uniform for its first contest of the season. The well-trained nine met the Milford Prep Varsity at Norman Hall Field on April 20, looking their best, and posting the first win of the season by walloping the opposers' pitchers for an 8-3 victory.

After having gained confidence from their first win, the Varsity nine, again looking in good shape, took the home field against The Hofstra College Freshmen on April 24. The outstanding playing of Gaiser, Guglielmo, King, and Perlman combined with the overall good points of the rest of the players helped again as the team pounded their opposers to a blazing 7-0 defeat.

On May 1 the team took to the road traveling as far as New Haven to play the Yale Freshmen on Freshman Field. Cheshire got off to a quick start, tallying the first run in the first frame. However, as the game progressed, the Yalies got warmed up and overtook our boys through the outstanding playing of Yale man Gracey. As this was the first game played away from home, the boys were more ill at ease and did not play their best.

Back on home ground, the varsity nine took on the Springfield College Freshmen at Norman Hall Field on May 5. Feeling much better in familiar surroundings, the team, with the excellent playing of King, Cutillo, Gaiser, and Perlman, won their third game, 7-4.

On May 17 the team traveled to Storrs to meet the University of Connecticut Freshmen and went down in defeat for the second time. The Cheshirites played outstanding ball, holding their opponents to only two runs and few hits, but the opposition proved to be too much for them. Lingblom and Lopez were the outstanding players of the day for Cheshire, but the team couldn't seem to quite make the raffle and went down 2-1.

Much credit is due the patient and efficient coaching of Mr. Austin Nadeau, and as there was no outstanding member of the squad and all played with equal aptness and skill, each and everyone of the members of the 1954 Varsity Baseball team is to be congratulated.

JUNIOR VARSITY BASEBALL

Left to Right, Front row: Curtin, Begnal, Lichtenstein, McDonald, B., Hopkins, Hills, Bertorelli, A., Kushell, Meenan, Thomas, Kuperman. *Back row:* Missouri, Mangiafico, LeClerc, Eisinger, Loughlin, Bertorelli, F., Phelan, Mitchell, Sambursky, Calibro, S., Tite, Lo Russo, Brous, Sloman, Mr. De Spirito, Coach.

This spring the Junior Varsity Baseball team continued the strong pace set by the Junior Varsity Football and Junior Varsity Basketball teams by finishing the season undefeated. During the course of the season, the "Junior Cats" won nine games and lost none.

For the opening game of the season the team traveled to Milford, Connecticut, to defeat the Milford Prep Junior Varsity nine 12-3. Walt Phalen hurled for Cheshire and allowed only five hits. Rock Parisi and Ralph Tite were the leading batters.

In the second game Junior Republic came to Cheshire only to lose 18-4 at the hands of Mr. Eldred's well-coached team. Bruce MacDonald pitched for Cheshire, while Gene Meenan, Rock Parisi, Ralph Tite, and Witt Jansen were the leading batters.

For the third game the "Junior Cats" traveled to the Hopkins Grammar School in New Haven. Alejandro Bertorelli's pitching combined with four doubles slammed by Rock Parisi brought home another victory this time to the tune of 22-3.

Behind the outstanding pitching of Bruce MacDonald and the better than average batting average that the entire team held throughout the season, the Junior Varsity again downed Junior Republic 8-2 in a game played in Litchfield.

In the fifth game Alejandro Bertorelli showed off his talent by pitching a no-hitter against Avon Old Farms School of Avon, Connecticut. Once again the terrific team spirit was shown as the "Junior Cats" won 9-0.

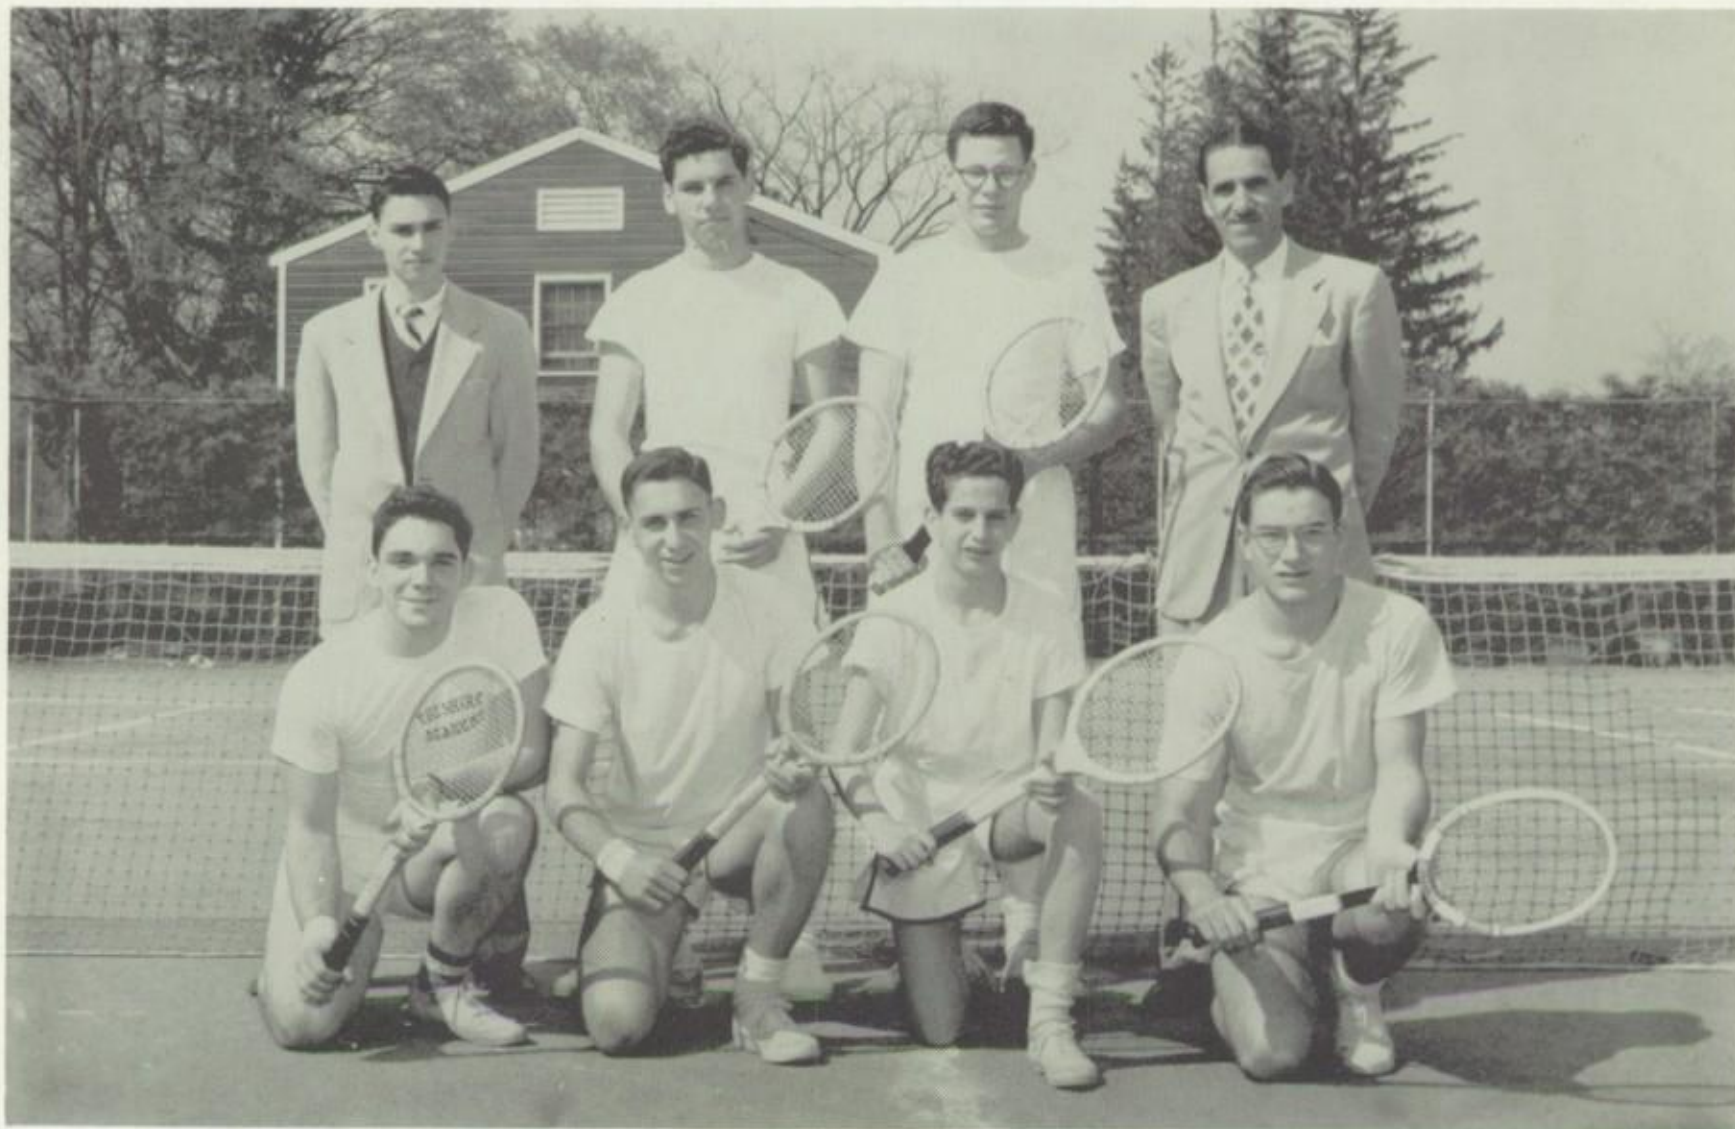

In the final game of the season the team, behind the able pitching of Bruce MacDonald, cleaned the Southington High School Junior Varsity out to the tune of 12-3. MacDonald had a no-hitter going into the bottom of the seventh, and allowed only one hit during the course of the game.

Much credit must be given to Mr. Eldred and to the team, not only for their outstanding record, but also for their determination and school spirit.

VARSITY TENNIS

Throughout its dynasty of higher education and athletics, Cheshire Academy has inevitably produced a fine tennis team, and this year is no exception. With a capable force of school-spirited students, several onslaughts were ripened into victory.

Dave Stafford
Captain

Crews, aided by ultra-spirited Mr. Leahey, worked hard to rake and roll the courts to near perfection. Thus the tennis season was in full swing long before many spring sports had begun.

Dr. Phillip Angeles, who is a remarkable athlete himself, was successful in selecting and coaching a team worthy of playing almost any opposing school. For weeks his watchful eye viewed many play-offs until the desired sextet was shaped.

The team's first match was with Hopkins Grammar School and was played away. The sextet triumphantly returning to the school boasted a win of seven to two. Our six agile members who played were Pete Miller, Jim Thompson, Dave Stafford, Larry Dubow, Bill Priestly, and Isaac Azout.

The second win of the season came when the varsity men downed the New York Military Academy seven to two also on foreign ground. The players in this match were Bruce Bear, Dave Stafford, Isaac Azout, Roy Greenfield, Bob Strauss, and Fred Edleman.

Throughout the rest of the season the tennis team played well, coming up with a close decision over Milford Prep of five to four, and again beating Hopkins Grammar, this time to the tune of six to three.

The success of the tennis team again proved it to be one of the top sports and many students, recognizing this, signed up at the beginning of the season.

VARSITY TRACK TEAM

In the first track meet of the season Cheshire Academy Varsity lost to Hamden High School by a score of $73\frac{1}{2}$ to $32\frac{1}{2}$ at Hamden.

The high scorer for Cheshire was George Ganzle with 9 points which were earned by gaining a first in the Discus, a second in the Broad Jump and a third in the 100-yard dash. Katz, Hubbell, Giannetti and Spilman were also outstanding performers, gaining seconds in the 440-yard run, 880-yard run, Discus and Shot Put, respectively.

On April 30 the Varsity played the University of Connecticut and was defeated by a score of $80\frac{1}{2}$ to $23\frac{1}{2}$.

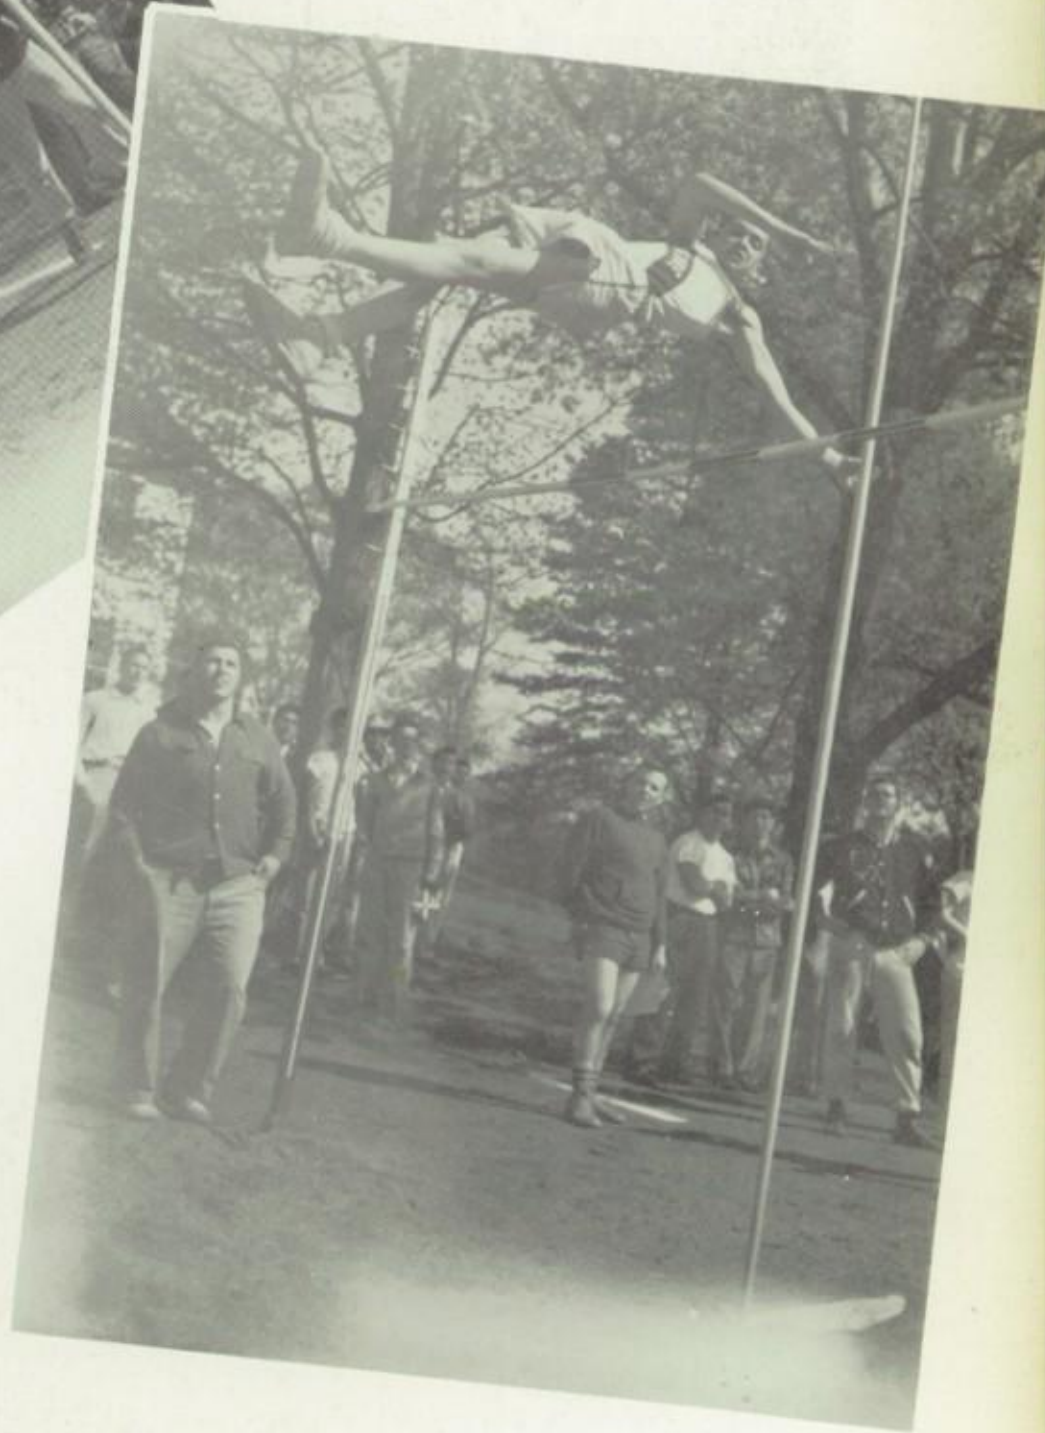

The high scorers for the "Cats" were Ganzle with 8 points and Spilman with 7 points. The other outstanding trackmen were Edelstein, Hubbell, Blondin, Katz, Glass, and Kenny.

At Hamden, Cheshire went down again under the pressure of Wilbur Cross High School, this time being beaten by a score of 65 to 39.

The track team's mile man, Edelstein, took a first in the mile and our half miler, Hubbell took a first in the half mile. The other outstanding "Catmen" were Alsop, O'Brien, Blondin, Ganzle, Katz, Croake, Duff, Spilman, and Kenny who all won points to boost our score.

Once again under the excellent coaching of Mr. William Burdick, Cheshire went down for its last defeat of the season against Trinity College by a score of 62 to 42.

The high scorer for the "Blue and Whites" was Katz, who took two firsts earning 10 points. Then Duff, Spilman, and Ganzle also took firsts in their own events. Edelstein, Blondin, Kenney, Alsop and Krystopa all took seconds or thirds in the events in which they took part.

VARSDITY SWIMMING

The Cheshire Academy Swimming team ended its season on Monday, March 8th with a meet against St. Mary's at The New Haven Boys' Club. Cheshire managed to pull the meet out of the bag by winning the last relay, the 160 yard freestyle in which Meenan, Lingblom, Coburn, and Cooper swam. Up to this point the meet had been in no one's favor. The first 160-yard relay was won by Cheshire, but St. Mary's team bounced back into the lead, winning the 100-yard and the 40-yard freestyle. Mark Cenci, in his first attempt at diving in a meet, won first place.

Earlier in the season, on Wednesday, February 17, the Cheshire swimmers had defeated the Hamden High tankers 38-29 at Naugatuck. In the 120-yard freestyle, the "Cats" won, but were disqualified because of a faulty turn. Coburn won the 40-yard freestyle, Paiva took the diving contest, and Meenan captured the 100-yard breaststroke. Rothstein took first

place in the 100-yard backstroke, and Cheshire won the 160-yard relay to take first place in the meet.

In looking back over the season it should be taken into consideration that the squad was heavily handicapped. Cheshire, having no pool of its own, had to travel to Naugatuck for practice and was only able to do this three times a week as the Y.M.C.A. could not accommodate them every day. All the teams that Cheshire swam against either had pools of their own, or access to a pool that could be used every day. The record—two wins and three losses—was one of the best compiled by a varsity team this winter.

The efforts of Barry Coburn and Gene Meenan, co-captains, were sincere and untiring throughout the season. The team owes a great deal of its success to Mr. Canning, its coach, whose spirit and coaching was incomparable.

BOXING

A new opportunity was afforded the students this year. For the first time in eight years the boys were given a chance to learn the art of pugilistics. Although this was considered a winter sport, there were no competitive meets because of the lack of emphasis of this sport in other schools. Boys therefore participated out of personal interest.

The sport was handled and instructed by Corbett Kerin under the direction of Mr. George James, Athletic Director. "Corby" proved to be a capable and conscientious coach. He relayed much of his boxing knowledge to the boys, which he acquired when he gained prominence in the amateur ranks.

The boys followed a set routine. The first month was devoted to learning the fundamentals of boxing, but as the season progressed work became more intensive. Mondays, Tuesdays and Thursdays were devoted entirely to conditioning, which consisted of rope jumping, shadow boxing, calisthenics, and bag punching. The two other days of the week were reserved for sparring with fighters of the same weight class. The boys not only learned the fundamentals of boxing during the winter, but also the requisites of a good second and an official.

The consistent members of the Boxing group were Ed Murphy and Terry McGovern of the 165 pound class; George O'Brien and Ralph Tite of the 175 pound class, and Arnie Steeves and Bob Tortorella of the heavyweight class.

The Varsity Fencing Team had a very successful season under the direction of Coach Virgulto.

On February 13, the team traveled to New Haven where they met a highly regarded Yale Freshman team. Rust, Sibek, and Preisner were outstanding, although the team lost 10-17. On February 27, the team met and was defeated by Hopkins Grammar School of New Haven. Rust, Sibek, and Preisner were outstanding for Cheshire. Several days later the "Cats" journeyed to Valley Forge Military Academy where they fenced in an abbreviated match because of the lateness in which it was started. The score was 6-6. Schwartzberg, Preisner, and Sibek were outstanding. On March 3, the "Cats" traveled to New Haven to meet Hopkins Grammar School. With the outstanding efforts of Rust, Schwartzberg, Preisner, Sibek, and Martinez the team won its first match 12-10. March 13, found the fencers traveling to New York City to meet Columbia Freshmen in the last meet of the season. Rust, Schwartzberg, Sibek, Preisner, and Martinez were outstanding for Cheshire but they lost a tough match 10-17. Thus, the season came to an end with a record that showed one win, three losses, and one tie.

ARTS AND CRAFTS EXHIBIT

A fitting climax to months of work and preparation was the Hobby exhibit displayed in the Junior School Lounge on the Father and Son weekend. Mr. Greene the supervisor shared his knowledge of hobbies to Junior School Arts and Crafts students.

JUNIOR SCHOOL PROM

The theme of this spring's Junior School Prom on May 21, 1954, was "Springtime in Paris." The boys under the supervision of Mr. W. Bendig did the painting and decorating of the gymnasium. The Eifel Tower, the Arc de Triumphe and all the rest which make Paris were included in the setting in the tireless effort of the boys.

The first dance for boys for grades 4 to 6 was held from 3 to 5 in the afternoon. Refreshments were served galore and each boy had his own date.

For boys from Grades 7 to 9 the dance was held from 5 to 9 p.m. Girls came from St. Margaret's School in Waterbury. Day students could bring their own dates.

A most delicious dinner was served which consisted of shrimp salad, rice stuffed eggs and punch. During the course of the evening the Junior School Glee Club entertained us. They were under the supervision of Mr. P. L. Ely. Robert Browning sang two solos.

The dance was a huge success and will always be remembered as a joyous occasion.

JUNIOR SCHOOL FOOTBALL

THE JUNIOR SCHOOL FOOTBALL TEAM

Although the Junior Football season may not have been as great a scoring season as in years past there can be no question as to the development of an extraordinary sense of sportsmanship. The boys worked hard and learned much from the ex-pro football player Ed Hart.

TENNIS TEAM

JUNIOR SCHOOL TENNIS TEAM

Tennis is one of the favorite sports of the Junior School. Shown above are Mr. Marr and the Junior School Tennis group.

The boys range from the youngest, Robert Sigel (standing, center wearing suit) who is eight years old, to George Johnson, the oldest (standing, third from right) who is fifteen years old.

Standing, Left to Right: B. Fowler, W. Lable, M. Beal, Coach, Mr. Marr, R. Hackbarth, R. Sigel (in suit), D. Houston, G. Johnson, R. Gasparri and E. Lozada. *Seated Left to Right:* W. Cohen, C. Cann, E. Cambut, J. Fasano, L. Stevens, and J. Sullivan.

BASKETBALL TEAM

JUNIOR SCHOOL BASKETBALL TEAM

Coach: Mr. Eddie Hart

The Junior School Basketball Team under the direction of Mr. Eddie Hart had a fair season. Over the course of the schedule the team lost five games and won one. This record does not justify the team for it lost several very close games. It was reaching its peak at the close of the season.

Standing, Left to Right: J. Speight, H. Broder, D. Ziff, J. Sperling, F. Malmberg, R. Diehl, L. Gianna, Ed Hart, Coach. *Kneeling, Left to Right:* R. Ettman, R. Salzillo, R. Waters, T. Colihan, R. Hall, M. Bassett, C. Cann.

Third row, Left to Right: Mr. Hart, Coach, M. Freed, R. Ettman, L. Gianna, K. Thoennes, R. Kuiper, J. Sperling, J. Speight, W. Moore, T. Colihan, Manager.

JUNIOR BASEBALL TEAM

This year's Junior School Baseball Team will not make history, but the know-how that the team got from playing is priceless.

The games won were at the expense of the Lincoln Junior High School. The games that were lost were basically lost because the boys could not get the offense going soon enough, and the defense was poor when it was most needed.
